

THE SHIFTING

JUNE 9, 2025

2 TIMOTHY 2:2 NKJV - (2) And the things that you have heard from me among many witnesses, commit these to faithful men who will be able to teach others also.

We are to be imitators of Christ. As He understood the authority given in **Genesis 1:26**, we need to understand and have faith to believe that we have been given authority to change the atmosphere, whether it be physical as it was here in this story, or if we are doing battle in the spiritual realm.

In fact, Jesus not only gives us authority, but He instructs us to use our faith to flip the switch, shift the atmosphere, change dark influence into guiding light.

God gave us dominion over this world. If we want to see a change in our lives and in the world, our faith is going to be a catapult for that change. We are called to shift the atmosphere and be world-changers.

I think Christians should make a conscious effort to shift the atmosphere during challenging times like today. We have the authority. Use it! "Make that change."
