

## STEP OUT ON FAITH!

FEBRUARY 23, 2026

**JOSHUA 1:3 NKJV – (3)** Every place that the sole of your foot will tread upon I have given you, as I said to Moses.

The promised land of **Canaan**, eventually called Israel, was a fertile land with brooks and deep springs that gushed out into the valleys and hills. The rich soil produced wheat and barley, vines and fig trees, pomegranates, and olives. There, the Israelites would lack nothing.

Described in Scripture as “a land flowing with milk and honey,” the soil was rich for agriculture and shepherding, the mountains provided security and protection from the elements and their enemies, and the arid climate provided perfect conditions for livestock to thrive. (**Exodus 3:17; Numbers 13:27, Deuteronomy 8:6-9**).

I want to tell someone who is reading this meditation, Step out on faith! God wants to use you for the task at hand. Yes, there will be difficulties, but God will fight your battle! He will reward you for following through. The land described above is His provision. God has an assignment for you. Don't be timid. God did not bless you with that spirit. Step out on faith but don't forget, you must follow His instructions.

**SCRIPTURE READING: TITUS 1:2**

**THOUGHT FOR THE WEEK:** God keeps His promises. Don't break yours.
