

RECONSTRUCTION IN THE MAKING

(PART 2)

SEPTEMBER 8, 2025

2 CHRONICLES 7:14 NKJV – (14) If My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land.

Humility is important to God because it allows people to experience God's love and grace, and to have intimacy with God. Pride closes the door to spiritual growth, but humility opens the door of your life to more of God's grace. To the humble, God gives patience, and peace, and gentleness. The fruit of the Spirit grows in the soil of humility. Humility is the key to spiritual growth. When prideful it becomes about us. It becomes selfish.

James 4:10 tells us to “Humble yourselves in the sight of the Lord, and He will lift you up.” Otherwise, be prepared to stay in your negative status.

THOUGHT FOR THE WEEK: Pride makes us artificial, and humility makes us real.
